

JOB TITLE: Front End Developer
DEPARTMENT: Information Technology, Worldsource Wealth Management Inc. (“WWM”)
REPORTS TO: Director, Business Systems and Development
LOCATION: Vancouver, BC (or remote from within Canada)

JOB STATEMENT:

Working in a fast-paced fintech environment, this experienced individual will be a valued member of the development team to create a hybrid advice platform for companies within WWM. The team will leverage ModernAdvisor’s existing robo advice proprietary technology to create an end-to-end digital experience for clients. The successful candidate will be involved in the creation of responsive UIs to provide the best user experience. This role will work alongside the development team and Business Analysts to ensure project delivery commitments.

ESSENTIAL FUNCTIONS:

- Building fully featured client facing applications;
- Working with UI/UX Designers to create beautiful responsive UIs;
- Designing, developing and delivering full platform features;
- Evolving an existing web app to a modern framework and standards; and
- Creating automated UI test suites.

JOB SPECIFICATIONS:

- A Bachelor’s degree in computer science or a related field
- 5+ years of experience of modern frontend Javascript development
- Experience working with RESTful APIs
- Experience using Git and Github
- Excellent English written and verbal communication skills
- Experience in any of the following will be considered an asset:
 - Migrating applications from AngularJS to more a modern framework
 - Finance and investments knowledge
 - Work experience in Fintech
 - Ruby on Rails
 - AWS - environment setup, deployment and administration

COMPENSATION:

Commensurate with experience

If you are interested in applying for this position, please forward a cover letter and resume in confidence to hr@worldsourcewealth.com.

Worldsource is committed to accessibility in employment and to ensuring equal access to employment opportunities for candidates, including persons with disabilities. In compliance with AODA, Worldsource will endeavour to provide reasonable accommodation to persons with disabilities in the recruitment process upon request. If you are selected for an interview and you require accommodation due to disability during the recruitment process, please notify the hiring manager upon scheduling your interview.
